Dear Marques,

Now that the dust has settled and our largest trade show event of the year is in the rear-view window, I want to extend a note of thanks for your role in making our CXO VIP dinner a wonderful success.

Our executive guests clearly enjoyed the opportunity to take pictures with you, and I am very appreciative of your efforts to give every individual a very personal experience – not just a snapshot, but the chance to have one-on-one conversation with you. Another highlight was the Q&A at the end of your presentation. I think the guests would have gone on all night!

Thank you for your professionalism and the positive energy you brought to our event. I wish you continuing success as you share your story and work diligently to give back, through both your foundation and your public appearances. We were delighted to have you.

Sincerely,
